Reg. No. 1807
21/2/54

To Assistant Surgeon Pr. Ins.

Aswatha Narainah & others residing at Jungamkotta, & stated verbally by letter that Jungamakotta is about 4 miles from their village, & that the former is a town where there is a municipality.

as they find it difficult to go to Siddlaghatta which is very far for medical aid, they beg that a branch dispy may be opened there & that Vaccinator Kamalapa Sabrapally who well versed in medicine attached to the charge of that dispensary. This Vaccr has a very good experience having been at dispensaries and Bangalore & other places.
